Core values

Communicate on Trust and Challenge with Expertise.

Our value contains four messages of trust, communication, expertise and challenge. Through our values, serving as a trusted partner, we will meet the new challenge and take the chance for greater progress in the age of AI.

Trust

Earn trust through behavioral integrity based on sound principle and standards.

Communication

Cooperate and respect each other to make better decisions and execution.

Expertise

Become an expert with extensive knowledge and skills by constant self development.

Challenge

Achieve a goal through passionate action and do not fear failure.

History

Founded in 1986, we had played a vital role in the growth of DBMS and internet market during the company's early period.

In 2010, we started developing our own services, and recently broaden business to data center, groupware and eCommerce in order to offer new values for our clients.

DAOUKIWOOM Group

We started our business in IT field and diversified into other various online businesses. In 2025, we achieved \$12.6 Billion business by continuing growth in all our business areas as the first mover. We have a revenue CAGR of 24.2% over the past five years based on business segment expansion and financial stability.

Asset **58,288 M USD**

Revenues **12,581 M USD**

Operating Profit **1,115 M USD**
